

EDGEWORTH

Remote Guarding Special Feature

SMOKE DETECTION FOR SCHOOLS

**Enforces
Smoke-Free
Policies**

**Deters Suspicious &
Criminal Activity**

**Aids Fire
Prevention**

Edgeworth's technology [partnered with Business Name Here] can do more than you may realize. Introducing Smoke Detection for Communities and Schools. Our state of the art technology can be deployed on your campus to detect smoking of all types, including vaping and cigarettes, along with other illegal drug use like THC and methamphetamines. Smoke detection enforces smoke-free policies, deters suspicious and criminal activity, and aids fire prevention on your property. Put a stop to unwanted smoking once and for all while also protecting your campus and its faculty, staff and students - contact us today to receive a complimentary Remote Guarding demo.

DETECTS SMOKING OF ALL TYPES

Vaping

Cigarettes

Marijuana/THC

Methamphetamines
